RULES AND REGULATIONS GOVERNING INVITATIONALS, TOURNAMENTS AND JAMBOREES

1. Schools will not permit their students to participate in an invitational event or jamboree unless the League approves the event.
2. All teams competing in an invitational or jamboree must be members of the League or have permission to participate. The League will not sanction any invitational tournaments or jamborees that does not have at least one member school participating or is beyond the regular season.
3. Responsibility to the League Office must be established by designating a host school that will insure that all League regulations are followed.
4. A request for permission to hold an invitational or jamboree, signed by the principal of the host school, must be in the League Office at least 30 days prior to the first session of the event or 90 days if out of state teams are to be invited. The request must include the purpose of the event, the sponsoring organization, the exact dates and the schools invited. A form to submit the request for approval can be found in the A. D. Handbook.
5. For all jamborees, the League will receive 20% of the gross gate receipts in excess of \$1,500.00. The League's share from any jamboree will not exceed \$5,000.00. A financial statement, this 20% and a list of participating teams must be sent to the League within fifteen days.
6. A school may not participate for more than ½ of a regulation game in any jamboree type event.
7. The Executive Committee has instructed the League Office to disapprove an invitational basketball tournament in which more than eight schools are involved if any part of the tournament causes loss of school time or is played on a day preceding a school day. If the tournament is held entirely during the Christmas holidays, more than eight teams may compete. Activities other than basketball are not limited to eight teams.
8. Schools are allowed one pre-season invitational **one week** prior to the first legal playing date to include the previous weekend.
9. Certified officials must be used at the varsity level.
10. Adequate police protection must be furnished.
11. All rules and regulations of the League must be followed. This includes the awards rule and the amateur rule. For an invitational event, symbolic awards may be given. Trophies must be reasonable in size. Scholarships or monetary awards are in violation of this rule.
12. No trophies or awards of any kind may be given to a player or team for participation in a jamboree. This regulation does not forbid the presentation of a sportsmanship award to a school or awards to individuals for winning a kicking contest or a similar contest held at a jamboree.
13. Total number of soccer games a student may play during a tournament is two per day. There must be a minimum one hour rest between games.

NOTE: League passes will be honored at League sponsored events.

DEFINED SPORTS SEASONS

The following terms will be used and will apply to all sports:

IN-SEASON

Begins first day of legal practice and ends with elimination from state play-off competition. Organized practice is left to the discretion of each school.

OUT-OF-SEASON

Strength and conditioning programs will not be affected by the limitation on practice seasons. Conditioning programs are not to include agility drills that enhance specific skills for a given sport, nor may equipment for any sport be used. Agility drills appropriate for all sports will be acceptable.

Practice and weight training must be open to all students. These sessions cannot be mandatory for any student.

Any student participating in an illegal practice will be declared ineligible for that sport season. Any school allowing an illegal practice will be subject to League discipline to include the placing of the sport on probation.

1. Open-Season/Open Facility

- a. June 1 - July 21, 2007 for Fall sports. (July 22-26, 2007 is Closed Season)
- b. June 1 - July 31, 2007 for Winter and Spring sports.
- c. Ten days for Fall sports to be conducted between the last 30 days of school and the first 10 days after the closing of school.

NOTE: Ten days of school against school competition are permitted June 1 - July 21, 2007. Participation at team camps and other outside organizations is included in these 10 days. No school will be permitted to attend or participate in team camps between July 22, 2007 and In-Season.

School facilities will be open to all students and coaches who may be involved with the planning and monitoring of activities, including organized practice, during these time periods.

Participation cannot be mandatory for any student.

2. Closed Season

Any time except In-Season and the Open Season/Open Facility dates listed above. During closed seasons, school facilities cannot be used for anything except conditioning and weight training.

3. Other Regulations

- a. Organized practice is defined as the gathering of a coach (es) and more than three athletes in a given day for the purpose of teaching skills. It also includes the use of school facilities by more than three students.
- b. Activities that take place during the school day are local matters and are not affected by these regulations. However, any activity involving prospective athletes during the school day must be open to all students.
- c. School facilities may not be used after school hours during closed season by students of a school except if they are members of an outside team clearly sponsored by an outside agency. If an outside team uses school facilities during a closed season, no coach (including volunteer coaches) from that school or its feeder school may be associated with that outside team. Coaching outside teams during a closed season is permissible provided school facilities, including those of feeder schools, are not used and the 75% rule is not violated. (Refer to A-26 for details on the 75% rule.) Beginning March 25, a coach may coach an outside team and use school facilities.
- d. Outdoor facilities normally available to the public will not be restricted by these regulations on non school days. In other words, if it is the normal practice of the school to allow the general public to use these facilities on the weekends, there will be no violation if more than three students are present, provided there is no coach present, and there is no attempt to facilitate practice.
- e. A coach may accompany prospective team members to a camp or clinic during a closed season, but may not be involved with teaching skills to his or her own players.

11. Players whose names appear on free lists and who accept merchandise are ineligible to participate in interscholastic athletics.

- c. **First doubles team shall always have a combined rank (based on the singles rank), which will be lower than that of the second team by a difference of at least 3 points. Any challenge matches that change the line-up must be documented, dated and signed by the coach. If these records are not made available at the contest in question, the concerned coach may file a written protest with the High School League. The League will then expect the challenged coach to present the records. If records cannot be properly submitted, a forfeit will be imposed.
 - g. Once the play-offs begin, the singles ladder may not be changed. **ANY EXCEPTION WILL RESULT IN A TEAM FORFEIT (7-0).**
 - h. It is recommended that all schools secure and use scorebooks to insure proper record keeping.
 - i. Once a match has begun, a player may not leave the court except for the following reasons:
 - 1. Bona fide bathroom break.
 - 2. To replace equipment (shoes, contact lens). If such player exceeds the time allowed (5 minutes), they will be subject to the point penalty system. 25 seconds will be allowed for each delay of game penalty. For example, warning - 25 seconds; point - 25 seconds; game - 25 seconds; match - 25 seconds.
 - 3. Leaving the court for reasons other than #1 or #2 will result in a forfeit of that match.

Regions that have both AA and A teams are reminded that they will have two automatic qualifiers for the singles tournament (One representing AA and one representing A). PROPOSED TIE-BREAKING SYSTEM

The following procedure may be used in breaking ties within the region for seeding purposes. Seeds will be filled one at a time.

1. Two Teams

- a. Single-game Region Schedule: If two teams with identical region records tie, the team that defeats the other shall be declared the higher seed.
- b. Two-game Region Schedule: If two teams split their contest, then they would proceed to Tie-Breaking Steps until the tie is broken.

2. Three or More Teams

- a. Single-game Region Schedule: If three or more teams with identical region records tie, and one of the teams has defeated the others, that team will be seeded higher. If this does not resolve tie(s), proceed to Tie-Breaking Steps until the tie(s) are broken.
- b. Two-game Region Schedule: If three or more teams with identical region records tie, the team that has the most wins between the tied teams against each other will be seeded highest. The team with the next-highest wins will be seeded second and so on. If this does not resolve tie(s), proceed to Tie-Breaking Steps until the tie(s) are broken.

TIE-BREAKING STEPS

Step 1. Region Point System

If three or more teams with identical region records tie, and no team has more victories than the others in games involving the tied teams, a point system based on region record only will determine the seed.

The following point value will be used in assigning points for a win within the region:

6 TEAM REGION

- 1ST Place... 6 points
- 2ND Place.... 5 points
- 3RD Place.... 4 points
- 4TH Place.... 3 points
- 5TH Place.... 2 points
- 6TH Place.... 1 point

7 TEAM REGION

- 1ST Place7 points
- 2ND Place6 points
- 3RD Place5 points
- 4TH Place4 points
- 5TH Place3 points
- 6TH Place2 points
- 7TH Place1 point

NOTE: If two or more teams are tied for a region position, each team will be acknowledged as that particular seed when the point system is in use. (Example - if 2 teams are tied for 3rd place, any win against either team would be assigned 3rd place points.) As a position is decided, the following seeds would use the latest assigned points.

Step 2. Points Allowed System

- 2.1 The team that gives up fewest points in games involving the tied teams shall be seeded higher.
- 2.2 If still tied from above, the team that gives up fewest points in all region games shall be seeded higher.

NOTE: In games that are decided by "over-time procedure," the team that loses will only add 1 point to regulation final score for purposes of figuring points allowed, and not final score of over-time procedure.

Step 3. Final Resolution System

- 3.1 The higher seed will be the team whose opponents have the highest winning percentage.
- 3.2 The higher seed will be the team whose opponents have won the most games.
- 3.3 The higher seed will be the team whose opponents have scored the fewest points
- 3.4 The higher seed will be determined by a coin toss supervised by the Region Coordinator.

NOTE: This procedure shall refer to all regularly scheduled region and non-region games, excluding tournament games
