13. CERTIFICATION OF OFFICIAL TIMES FOR STATE CHAMPIONSHIP MEET ENTRY

a. **Manual timing.** Official manual times for entry into the SCHSL State Championship Meet are determined by using three stopwatches per lane. Backup stopwatches may be used in case of watch or timer malfunction. When three watches record different times, the official time is the middle time. When two watches record the same time, that time is the official time. The digits representing thousandths of a second shall be dropped with no rounding.

In the case of watch or timer malfunction, the following procedure should be followed:

- i. All manually-timed meets must be set up with three stopwatches per lane and with the intention to record three watch times per swim. This is the primary timing system for a manually-timed meet. If three good watch times are recorded then the official time is the middle time, not the average of the three. A "good" watch time is defined as a time recorded by a timer properly positioned at the finish end of the lane.
- ii. In case of a malfunction of one of the stopwatches (either through timer error or watch malfunction) then a backup watch from the head timer should be used to time the swim to get three good times.
- iii. In case of a malfunction, and when the head timer with a backup watch is not able to provide a third time for a swim, the following procedure should be followed:
 - a. If only two good watch times are available, then the average (NFHS Swimming Rule 6.2.2) of the two watch times should be recorded as the official time.
 - b. The only time that two watch times should be used is in case of a malfunction. Two watch times should be the exception, not the rule.

- b. **Automatic (Electronic) timing.** Official time is the pad time computed to the hundredth of a second. If there is a malfunction of the automatic system, backup times shall be integrated according to NFHS Rules 6-2-3 and 6-2-4.
- c. **Meter times.** Meter times will be converted (for posting and State Meet entries) as specified in the current NFHS Swimming and Diving and Water Polo Rules Book conversion chart
- d. **Certified times for State Championship Meet.** Official qualification times for entry into the State Championship Meet are certified yard or converted meter times from regular season meets that appear on the *Easyware* website (SCHSL SWIMMING LINK). Meet results must be verified and signed by the meet referee and a coach from each participating school. Each team must keep copies of certified meet results in case validation of entry times is required. **Raw times must be submitted to the Easyware website according to the instructions in Section 13.e by the earlier of the two following deadlines:**
 - 1. **within 3 days following a regular season meet, or**
 - 2. **24 hours before the entry deadline for the State Championship meet**
- e. **Submission of Certified Times.** Host team of each meet must send a **COMPLETE MEET BACKUP** within 3 days of the completion of the meet using Easyware software, Easy Meet. Email the following information with the MEET BACKUP: POOL LENGTH, CLASSIFICATION of each team (AAAA, AAA, etc.), and any team that is a NON-MEMBER of the SCHSL, to dabineri@fuse.net

Teams must be designated using the standard 3-letter high school abbreviations listed in AD Notebook on the League website. Use the Easy Team Manager FILE, SETUP screen to enter your 3-letter abbreviation for all meets.

In the case of manually-scored meets (i.e. no software is used), EACH TEAM must send in meet results (times) to dabineri@fuse.net using the spreadsheet posted on goeasyware.com under the SCHSL SWIMMING link.

Only send in **CONSIDERATION** and / or **AUTOMATIC** times.

DO NOT CONVERT TIMES before submitting - those using the spreadsheet will have times converted by D. Abineri. Those using Easy Meet will have them converted by the software.

Times will be posted in rank order at <http://www.goeasyware.com> under SWIMMING LINKS. It is each coach's responsibility to check this site to be sure that the listing is accurate and to promptly report any errors to David Abineri at dabineri@fuse.net.

- f. **State Meet entry times.** The times posted on the *Easyware* website are the official entry times for the State Meet
