I. Division I

- A. The sixteen largest school, by enrollment from the most recent available data of 135 ADM, will be considered Big Sixteen determining points for the "Point System" on a yearly basis. Listed below for 2009:

| 2. Dorman | 10. Hillcrest |

| 4. Lexington | 12. Gaffney |
| 5. Sumter | 13. Dutch Fork |

- iii. The tie breaking procedure for seeds is found on page 30-31.

II. Division II

- A. Division II qualifiers will compete for a State Championship.
- B. The top eligible team (s) will be determined by region record.

Seven (7) additional "at large" teams will also be selected to complete the thirty-two (32) teams that will advance to the AAAA State playoffs. The seven (7) "at large" teams will be selected using the points system currently used by Division I teams. Each team will be given two (2) "mark offs" and the number of Division I teams is not limited. The sixteen (16) largest schools by enrollment from the most recent available data of 135 ADM will be considered Division 1 in determining points for the "Point System" on a yearly basis.

After the thirty-two (32) teams are selected, the sixteen largest schools by enrollment of the thirty-two selected will compete for the Division I State Championship. The most recent available data of 135 ADM will be used to determine the Division I participants. In the event there is a tie for the last positions within these 16, the previous 45 ADM will be used for the effected schools only.  4. The higher seeded team will always be the home host team. Except for the State Championship game. A coin flip will determine the home team.
- B. Each team must play each member of the region (regardless of division). In the event any school refuses to play another school in the same region, that school becomes ineligible for any play-off berth and forfeits to all other teams for the purpose of declaring play-off participants.
- C. The Kansas System of Elimination shall be used to break a tie in all regular season games, and play-off games.
- D. The mark off game(s) will be designated after the season is complete. However, to expedite the computation of points, all schools must send the "AAAA Football Record Sheet" in this section to the Chairman of the Football Committee by noon on

VI. Point System (Both Divisions)

	If Won	If Lost
Division I (winning record)	+ 4½	+ 3½
Division I (non-winning record)	+ 4	+ 3
Division II & (AAA with winning record)	+ 4	+ 3
AAA & AA (with winning record)	+ 3	+ 1
AA & A (with winning record)	+ 2	- 1
A	+ 1	- 3
*If a Class A, AA or AAA team with a 5-5 record advances to the 2nd round of their play-offs, the record shall be counted as a winning record.		

- A. Schools must maximize points on the point system.
- B. Tie Breaking Procedure: In case the point system does not gain a solution, the following will be used to seed teams:
 1. If two teams are tied in the point system and the two teams played, the head-to-head winner will get the top seed. If there is a three-way tie and one team beats the other two teams, the winner will get the top seed. Also, if there are more teams tied for a particular seed, the point system will be used to seed the team. Seeds will be filled one at a time and the process will start back at the top of the point system.
 2. The team whose opponents have the most victories (all games except mark off).

3. The team whose opponents have the fewest defeats (all games except mark off) will receive the top seeding.
 4. Start back at the first step of the point system but include the mark off game. In a situation where the two teams have played a different number of games (11 or 10), the team playing eleven games will include the one (1) mark off that maximizes points. If both teams played the same number of games, then all mark offs will be added back before totaling points.
- C. If not resolved by above method, it will be resolved by a coin toss supervised by the Football Committee.

XIII. CERTIFICATION OF OFFICIAL TIMES FOR STATE CHAMPIONSHIP MEET ENTRY

a. **Manual timing.** Official manual times for entry into the SCHSL State Championship Meet are determined by using three stopwatches per lane. Backup stopwatches may be used in case of watch or timer malfunction. When three watches record different times, the official time is the middle time. When two watches record the same time, that time is the official time. The digits representing thousandths of a second shall be dropped with no rounding.

In the case of watch or timer malfunction, the following procedure should be followed:

- i. All manually-timed meets must be set up with three stopwatches per lane and with the intention to record three watch times per swim. This is the primary timing system for a manually-timed meet. If three good watch times are recorded then the official time is the middle time, not the average of the three. A "good" watch time is defined as a time recorded by a timer properly positioned at the finish end of the lane.
- ii. In case of a malfunction of one of the stopwatches (either through timer error or watch malfunction) then a backup watch from the head timer should be used to time the swim to get three good times.
- iii. In case of a malfunction, and when the head timer with a backup watch is not able to provide a third time for a swim, the following procedure should be followed:
 1. If only two good watch times are available, then the average (NFHS Swimming Rule 6.2.2) of the two watch times should be recorded as the official time.
 2. The only time that two watch times should be used is in case of a malfunction. Two watch times should be the exception, not the rule.

- b. **Automatic (Electronic) timing.** Official time is the pad time computed to the hundredth of a second. If there is a malfunction of the automatic system, backup times shall be integrated according to NFHS Rules 6-2-3 and 6-2-4.
- c. **Meter times.** Meter times will be converted (for posting and State Meet entries) as specified in the current NFHS Swimming and Diving and Water Polo Rules Book conversion chart
- d. **Certified times for State Championship Meet.** Official qualification times for entry into the State Championship Meet are certified yard or converted meter times from regular season meets that appear on the *Easyware* website (SCHSL SWIMMING LINK). Meet results must be verified and signed by the meet referee and a coach from each participating school. Each team must keep copies of certified meet results in case validation of entry times is required. **Raw times must be submitted to the Easyware website according to the instructions in Section 13.e by the earlier of the two following deadlines:**
 - 1. **within 3 days following a regular season meet, or**
 - 2. **24 hours before the entry deadline for the State Championship meet**
- e. **Submission of Certified Times.** Host team of each meet must send a **COMPLETE MEET BACKUP** within 3 days of the completion of the meet using Easyware software, Easy Meet. Email the following information with the MEET BACKUP: POOL LENGTH, CLASSIFICATION of each team (AAAA, AAA, etc.), and any team that is a NON-MEMBER of the SCHSL, to dabineri@fuse.net

Teams must be designated using the standard 3-letter high school abbreviations listed in AD Notebook on the League website. Use the Easy Team Manager FILE, SETUP screen to enter your 3-letter abbreviation for all meets.

In the case of manually-scored meets (i.e. no software is used), EACH TEAM must send in meet results (times) to dabineri@fuse.net using the spreadsheet posted on goeasyware.com under the SCHSL SWIMMING link.

Only send in **CONSIDERATION** and / or **AUTOMATIC** times.

DO NOT CONVERT TIMES before submitting - those using the spreadsheet will have times converted by D. Abineri. Those using Easy Meet will have them converted by the software.

Times will be posted in rank order at <http://www.goeasyware.com> under SWIMMING LINKS. It is each coach's responsibility to check this site to be sure that the listing is accurate and to promptly report any errors to David Abineri at dabineri@fuse.net.

- f. **State Meet entry times.** The times posted on the *Easyware* website are the official entry times for the State Meet
